Bask in the beauty of spring, and give your soul a boost! Let nature inspire you to continue with your 2022 resolutions and bring growth and rejuvenation to your life.

Take advantage of the longer daylight hours by getting the family together or taking some time to yourself and visiting one of our neighborhood parks, trails and open space areas, and historic homes. Community Services & Parks has something for everyone!

Youth of all ages are invited to participate in Spring Break Camps, youth sports activities, and Life Long Learning classes. We know the importance of planning ahead, so we've included Summer Day Camp and Aquatics Program information inside too!

Adults are encouraged to enroll in Life Long Learning Classes, such as yoga or visual art; participate in open play badminton; and tennis classes. Our adult programs and activities are offered at a variety of times to meet everyone's busy schedule.

Senior adults will enjoy taking part in ongoing education and leisure programs. A nutritional meals program, and a case management, counseling and referral program are also available.

Last but not least, the Community Services & Parks Department is proud to present several special events this season, including the Cesar Chavez Celebration, Spring Eggstravaganza, and Verdugo Mountains 10K Trail Run & Hike. Plan ahead for the annual Cruise Night event, taking place this summer. Look inside for details.

### YOGA with Knekoh Fruge, C-IAYT, E-RYT & Yoga Circle Downton

Postures (Asanas) stretch, tone and strengthen the entire skeletal system, working not only the body's frame, but the internal organs, glands and nerves as well. These postures are linked via a connective movement (Vinyasa) and powerful breath work. These breathing exercises (pranayama) refresh and cleanse the body and help to control the mind. The union (yoga) of these two forces (Asana and Pranayama), release physical and mental tension, liberating vast resources of energy with increased mental power, clarity and concentration. This practice, over time, will bring your being into peak physical and mental condition.

### HISTORY

- The Teahouse represents the spirit of goodwill, lasting peace and friendship between the people of Japan and the United States.
- Given the name "Shoseian" or "Whispering Pine Teahouse" by Genshitsu Sen, the Fifteenth Grand Tea Master of the Urasenke School of Tea in Japan, the Teahouse is designated an official Tearoom. Dr. Yamazaki of Higashi-Osaka provided initial support for the Teahouse and Gardens.

- In 1930 the Casa was purchased by the California Medicinal Wine Company who planned to tear down the structure and remove the large eucalyptus trees on the property. Local neighbors and community members stopped the demolition and began a campaign to preserve the house as a historic landmark.

### FACILITY DESCRIPTION

- The park is 1.3 acres in size and is nestled at the base of the Verdugo Mountains in a residential neighborhood.
- Amenities include a walking trail, a garden, and a shaded picnic area with wooden tables, benches, and electric outlets.
- Smoking, barbecues, and amplified sound are NOT permitted because of the historic nature of the facility.

### HISTORY

- The Catalina Verdugo Adobe is registered as California Historical Landmark #637 and Glendale Register of Historic Resources #1.
- The Adobe is the oldest structure in the City of Glendale. As with many early structures, the construction date of the Verdugo Adobe is uncertain. It is said the Adobe was built in 1828, but some research suggests that it dates to 1860. It was the home of Catalina Verdugo who, with her brother Julio, owned much of today's Northeast Glendale. Their father, Don Jose Maria Verdugo, was the original recipient of Rancho San Rafael, the Spanish land grant that encompassed large portions of Glendale, Burbank, and Eagle Rock.
- The grounds contain the remnants of the "Oak of Peace," under which a meeting was held in 1847 that led, a few days later, to the signing of the peace treaty, Treaty of Cahuenga, that ended the Mexican-American War.
- The Adobe originally consisted of the main room and the south wing. The north wing was added in the early 1900s, after it was sold to land developer F.P. Newport.
- In 1946, the property was sold to Dr. Ernest Bashor, and his family remained there until it was sold to the City of Glendale in 1989. It is fortunate that the historic value of the original house remained preserved.

## Le Mesnager Barn at Deukmejian Wilderness Park

3429 Markridge Road  
Glendale, CA 91214

Deukmejian Wilderness Park occupies a rugged 709 acre site in the foothills of the San Gabriel Mountains at the northernmost extremity of the City of Glendale. Trails on the site provide spectacular views of the Crescenta Valley and the Los Angeles basin.

Join us for the grand opening of the Stone Barn Nature Center on March 19, 2022, from 11:00 a.m. - 1:00 p.m.

**For information, call (818) 937-7428.**

## Rockhaven Sanitarium

2713 Honolulu Avenue  
Glendale, CA 91020

Rockhaven is a rare surviving example of the sanitariums that once flourished in the Crescenta Valley. First opened in 1923 by Agnes Richard as a “home for the feeble-minded women,” and later known as the “Screen Actor’s Sanitarium,” Rockhaven housed several Hollywood celebrities, such as Billie Burke, Flo Zigfield, Clark Gable’s first wife, as well as Marilyn Monroe’s mother. Over time, Agnes Richards purchased several neighboring Craftsman- style houses, and in the late 1920s and 1930s built several Spanish Colonial Revival style buildings which were designed specifically for the purpose of medical care and patient accommodations, expanding the facility to an approximately 3.5 acre site.

The character of this property was as much defined by its landscape as it was by its buildings. The buildings were, and still are, connected by meandering landscaped pathways, intimate gardens, patios, courtyards and expansive perimeter gardens to create a home-like setting for the individual care of the patients. In 1966, Rockhaven was awarded for its landscaping by Los Angeles Beautiful, Incorporated.

The City purchased the property in 2008 from Ararat Home, who had purchased the property in 2001 to operate a convalescent facility. The facility remains closed to the public at this time due to safety concerns.

You can read more about the facility by visiting the City’s website, [www.glendaleca.gov](http://www.glendaleca.gov), and searching Rockhaven in the search bar.
